

Back up a claim with evidence

Use this when you answer a case question or explain a choice.

1

Claim

Say what you think is true in one sentence.

2

Evidence

Point to a document, quote, number or time that supports it.

3

Reasoning

Explain how the evidence supports the claim. Use “because.”

4

Limit

Say what the evidence does not show yet.

Example from Case 1

- 1 The screening is still on for Friday night.
- 2 The transcript says “Existing room bookings remain in place.”
- 3 Mateo’s booking already exists, so it stays in place.
- 4 Nothing says whether every guest can use the front entrance.

⚠ Watch out: A screenshot of a claim does not prove the claim. Point to the document that confirms it.
