

Evidence A

The post

Group-chat post, Friday 4:52 p.m.

"They're removing access tonight. Screening canceled?" A seven-second clip is attached. In it, the coordinator says "we are removing access," and the clip ends there.

What can this source establish?

What does it leave unresolved?

Fictional case record from Lesson 1. The wording matches the online case and learner chapter.

Evidence B

The full update

Coordinator's meeting transcript, Friday 3:30 p.m.

"The side-door reader is broken. We are removing access through that reader tonight. Existing room bookings remain in place. Use the staffed front entrance while we repair it."

What can this source establish?

What does it leave unresolved?

Fictional case record from Lesson 1. The wording matches the online case and learner chapter.

Evidence C

The booking email

Booking email to Mateo, sent Tuesday

Friday, 6-9 p.m. Screening confirmed. Front entrance: step-free. Staff member at the desk from 5:30 p.m. Contact the coordinator for arrival support.

What can this source establish?

What does it leave unresolved?

Fictional case record from Lesson 1. The wording matches the online case and learner chapter.
